

## RÊVE BY GREGOIR MAGAZINE

Welcome to the 2024 edition of Gregoir Magazine, Rêve, where sophistication meets innovation, and luxury intertwines with culture. As we embark on another captivating journey through the realms of art, fashion, lifestyle, and beyond, we invite you to be part of a powerful legacy.

Since our debut in December 2023, Gregoir Magazine aims to serve as a beacon of excellence showcasing all the highlights and adventures of the Gregoir brands and businesses, its customers, partners, supporters, employees, community influencers and other stakeholders. Rêve by Gregoir is designed to captivate the readers with its unparalleled blend of curated content, compelling narratives, and visually stunning imagery. As we celebrate our latest edition, we are thrilled to extend an exclusive invitation for your brand to join us in this exquisite voyage.

Advertising in Rêve by Gregoir Magazine offers a multitude of benefits, providing a unique opportunity to showcase your brand to the discerning audience of the

Gregoir Group across Belgium, Netherlands, France & Germany. With a readership of the most affluent and influential demographics, your brand and your story will be strategically positioned to attract the attention of individuals who appreciate the finer things in life. Whether it's through our captivating editorial features, insightful interviews with industry leaders, or stunning visuals, each page of Rêve by Gregoir Magazine is meticulously crafted to delight and engage our esteemed readership.

As we embark on this exciting journey together, we invite you to explore the myriad opportunities available to showcase your brand in the Spring 2024 edition of Rêve by Gregoir Magazine – either ad advertiser or an editorial feature. Join us as we continue to redefine luxury, inspire creativity, and celebrate the art of living well.

## ABOUT GREGOIR GROUP

Driven by a passion for impeccable personal service, the Gregoir vision shines as a pioneering force which aims to elegantly and effortlessly transform our clients' life experiences, both on the move and at home.

All-round innovation lies at the heart of our renowned Gregoir Mobility brand. With a commitment to progress and a solid distribution network in the heart of European capital – leveraging the economic triangle – we work with premium global brands, including BMW, MINI, BMW Motorrad, Hyundai, Suzuki, KGM, Cannondale and Specialized. Using our wealth of expertise, we translate emerging trends and standards of design and technology into positive and responsible lifestyle choices for our clients.

Rêve is more than just a brand; it's a new dream we're crafting, an embodiment of everything we love—impeccable service, elegant design, and a touch of modern flair. From the timeless beauty of Castle Diependael to the chic designs

of Camerich, our Rêve Quebec & Tadoussac Outdoor furniture line, a unique partnership with Geodesis Home Fragrances of France, launch The Belgian Bikers and our newly minted Rêve by Gregoir Magazine, we're dreaming with all our hearts to curating something truly unique. The magazine is aimed to share up, close and personal stories of modern day heroes and heroines, who are shaping the future of our society. We will partner with and feature iconic to unknown entrepreneurs and change makers, who are creating products and experiences with a genuine purpose to celebrate human connections.

Together with our exceptional Rêve by Gregoir Magazine and eponymous website, our leading-edge new lifestyle brand will redefine the broad arena of modern luxury, inspire creativity and celebrate the art of living well.

**Welcome to a visionary world of elegance, sophistication and endless possibilities. Welcome to Rêve.**
